**BAWLEY POINT & KILOA COMMUNITY ASSOCIATION  
COMMITTEE MEETING**

**AGENDA**

**MONDAY 2 OCTOBER 2017**

**Meeting of the Committee to be held at the Community centre at 7.45 pm**

**1. Apologies**

Apologies to the Secretary on 0416 249 210 or at [secretary@bawleykioloa.org.au](mailto:secretary@bawleykioloa.org.au)

**2. Minutes (Attached p 4-6 )**

Minutes of the Committee meeting held on 7 August 2017 for acceptance

**3. Management Issues**

**3.1 Auditor**

Report to be provided

**3.2 Department of Fair Trading**

Report to be provided

**4. Business Arising**

**4.1 ANZAC Committee**

Tim Beckett has joined the ANZAC Committee as Secretary. A meeting was held on 25 September and will be reported to the General Meeting

**4.2. Dog Sign Proposal**

A response was sent to Council and acknowledged. An update has been sought but nothing was available by the circulation of this agenda

**4.3 Healthy Steps Program**

Signs for a measured (200 m intervals) kilometre have been installed leading from the shops to Rosemary Avenue. The Community has been advised through the Facebook page

#### **4.4 Community Connect**

For report. An update and notification of a Logo design competition has been loaded to the website

#### **4.5 Community Communication**

For any further discussion if required

#### **4.6 NBN / Mobile Black Spot Update**

For Report

#### **4.7. Junction of Bawley Point Road and Princes Highway**

Barrie has contacted the appropriate officer in Council who has undertaken to put the issue to RMS. As Barrie has noted, RMS tends to be a law unto itself

### **5. New/Other Business**

#### **5.1 Viewing Platform - Gannet Beach**

A member of the community has suggested the building of a viewing platform with appropriate access/egress at Gannett Beach to allow access for disabled members of the community to, for example, watch family members swimming/surfing on Gannet beach. As an aside, a platform would also contribute to safety by allowing oversight of one of the main swimming beaches in the area. Platforms at Broadbeach, might provide appropriate models

If the Community Association thinks it might have 'legs' then it should be easy to chase up a rough estimate of the costs involved. Then the issue of source of funds could be addressed.

#### **5.2 Council/CCB Meeting**

Council has advised that the next CCB Executive Meeting will be held on **Thursday, October 12<sup>th</sup> at the Ulladulla Civic Centre**. The day will commence at 11.30 and lunch will be provided. An agenda will sent around next week detailing the day's proceedings.

During the day Council is hoping to host an open informal discussion on Membership and Attendance at CCB Meetings. It has asked that If we feel our CCB has good attendance we might like to share our success story

#### **5.3 Councillors Visit**

Council has advised that the annual Councillors Visit is scheduled for November. IThe Secretary is trying to pin down a date. For discussion

#### **5.4 Items for General Meeting**

## 5.2 ANZAC Committee

Liza advised that Marie O'Connell had asked if a member of the Committee could join the ANZAC Committee. Tim agreed to assist

## 5.3. Dog Sign Proposal

See <http://getinvolved.shoalhaven.nsw.gov.au/dogs-off-leash-signage>

Tim to write to Council suggesting that the Bawley Point shops would be a suitable site

## 5.4 Healthy Steps Program

It was suggested that Murramarang Road between Tingira and the Shops (and perhaps back again) and from Merry Street shops northwards would be appropriate. Liza, Julie and Kate offered to check appropriate stretches of the path. Tim to advise SCC and to suggest the inclusion of 100 metre markers along each kilometre stretch.

## 5.5 Community Connect

Roger outlined recent activities including

- the donation of a trailer by ANU
- training for 3 traffic controllers
- planning for the inclusion of Exercise Stations along the pathway
- a forthcoming meeting with the Mayor at which the issue of funding for culverts would be raised
- the current balance of fund raising for *Community Connect* stood at \$43K and a further \$15K would be granted by Veolia

## 5.6 Community Communication

Justin noted that the Committee needed to improve communication with the Community and believed that the best method was through email. Tim expressed concern about the difficulties involved in keeping an email mailing list up to date and it was agreed that both facebook and the Website needed urgent attention.

## 5.7 NBN / Mobile Black Spot Update

Barrie provided the following update:

### **NBN:**

Now available in BP. Kioloa not until year's end!!

There is an issue of data speed with NBN compared to ADSL particularly at busy times during the week.

The issue is getting a lot of press and it would seem that Telcos are not buying enough bandwidth from NBN to meet their customers needs. The Telcos are trying to blame NBN's pricing which is dictated by the \$ 49 billion it has to pay back the Federal Government. Thereby bringing pressure on the Feds to reduce its hurdle rate to enable NBN to charge less. The alternative is for the Telcos to drop the margins which is clearly an anathema!!

Should residents need technical help to install NBN then Scott O'Malley is an authorised installer and probably cheaper than Telco suppliers. I think existing ADSL customers just

need to swap out modems within their own house. But new ADSL customers now there is new capacity from NBN on their switches in the Thrush Street exchange might find Scott cheaper!!! 0427 975 777

### **Mobile Black Spot:**

Still on track to build a base station and tower by end this year. Service to launch first half of 2018.

Considering 3 sites, one being ANU - I don't know the other two.

Work completed on Monkey Mountain resulting in improved coverage between BP and Termeil. Even occasional SMS received at the Men's Shed site.

Why do this? Because the new tower transmission ring in Kioloa needs to intersect with existing Monkey Mountain ring to give Murramarang Road total coverage and smooth transition between rings with no drop outs.

### **5.8 Junction of Bawley Point Road and Princes Highway**

Claire Stephenson had raised the issue of a blind spot created when vehicles - especially large trucks and machinery - parked in the lay-bye opposite the petrol station effectively blocking the sightline to south-bound traffic on the Princes Highway.

Barrie has raised the matter with Council and advised that Michael Strachan has forwarded my photos onto the person in Council who liaises with RMS re roads. He agrees that parking needs to be restricted so vehicles do not create a blind spot for people turning North off Bawley Road. Barrie will keep on him but comments that RMS are notoriously a law to themselves

### **5.9 Bendigo Bank Meet-and-Greet**

Claire drew attention to the forthcoming Bendigo Bank Meet-and-Greet on 21 August at the Dunn Lewis Centre where she hoped that a small grant would be available for *Community Connect*. Any one interested should RSVP by 18 August via the Bank's website.
